

SCHOOL CONTRIBUTIONS & CHARGES 2024

Dear Parents

The Jurien Bay District High School Board has endorsed our schedule of Contributions and Charges for 2024 in accordance with the School Education Regulations 2000 as part of the School Education Act 1999. This schedule is designed to provide you with information about anticipated costs that may occur throughout the coming school year and allow you time for forward planning of the likely outlays.

The schedule is made up of the following three areas:

- 1. CONTRIBUTIONS – *Payment requested at beginning of year.***
Contributions have been set at \$60.00 per child. This represents an important revenue source and supplements school expenditure in the areas listed over the page. The quality of our learning programs will be maximised when all families contribute so it is vital that parents make a commitment to paying these amounts. Please note that flexible payment options (i.e. instalments) can be made by contacting the Manager Corporate Services.
- 2. CHARGES FOR EXTRA COST OPTIONAL COMPONENTS – *Payment required as events occur.***
Children will engage in a variety of activities associated with educational programs for which charges will be incurred. The School Board recognises the value of these types of activities and seeks to support teachers who coordinate them as part of their teaching programs.
- 3. PERSONAL ITEMS (REQUIREMENTS) LIST (*see Champion Education booklist*)**
Booklists have been distributed to students and are available to view on the school website and app. Students will need the items for personal use in order to complete the educational programs provided by this school. Items may be purchased from Champion Education or any stationery supplier you choose.

Important Notes – please read carefully.

- Charges apply for the extra cost optional activities that are part of an education program and which 'contributions' do not cover and must be paid prior to the activity occurring. All activities are optional and if no payment is received, an alternative activity will be provided for your child.
- The School Board has approved all 2024 extra cost optional activities. The estimated costs provided are the maximum amounts that a parent/carer should anticipate being charged throughout the coming school year. Very few students, if any, participate in the full range of activities available. For example, PEAC & Interschool Sports involve very small numbers of students.
- Payment of extra cost optional charges is not required at the time of finalising payment of contributions. Where staff arrange extra cost optional activities, payment will be requested immediately prior to it happening.**
